

MARK R. WARNER

cordially invites you to

virginia summit on **energy opportunities**

Senator Mark Warner is hosting an energy summit that will focus on how Virginians can maximize opportunities available through the 2009 American Recovery and Reinvestment Act for low-income families, state and local governments, and industry.

Speakers from the U.S. Department of Energy, state agencies, and private sector experts will explain how Virginians can access stimulus funds in the following areas:

- ▶ Weatherization and low-income programs
- ▶ How localities can access stimulus funds
- ▶ Innovation including smart grid and renewable projects
